- c) *“...the status of Service compliance with said procedures...”*

Violent Crime Analysts, under the direction of the Crime Analysis Manager and the Officer in Charge of the Special Victims Unit, monitor incidents to ensure that all incidents involving non-parental abductions and attempts are investigated and managed in accordance with Service policy and the OMCM Manual. In addition, all reports are reviewed by a staff sergeant or detective sergeant in the district where the offence occurred and assigned to a detective for investigation.

- d) *“...a summary of training given to members regarding parental and non-parental abductions and attempts ...”*

An extensive range of specialized training is required and provided to investigators engaged in the investigation of parental and non-parental abductions and attempts.
